Message From President Director

It has been one year since the pandemic started. Vaccination is indeed one of the ways to end this pandemic. However, discipline in implementing health protocol must go on. Wear a mask, always wash your hands after doing activities, keep a safe distance and staying away from the crowd while we are starting for some normal activities.

Golf is considered as one of the safe outdoor sports. Therefore golf is becoming more and more popular. In fact, the game of golf is perfect for families. The nature of golf makes the sport accessible to a wide age group, allowing golfers to enjoy rounds with older and younger members of their family. Golf carts are a great alternative to those who do not want to walk, and proper tee boxes ensure that children and older folks can play their second shot at a reasonable distance.

As we get into the holy month of Ramadan, we would like to say happy fasting to all our Muslim members. Enjoy our Ramadan programs for golf and restaurant with your family, friends, colleagues at the club.

We are continually conducting course maintenance program regularly on and off course. Bunkers levelling, hollow tines on greens, fairways and tee boxes, to keep the course always in good shape and condition.

Thank you to our dear and valued members for your kind support and participation in implementing the health protocols in the club.

Happy Golfing, Happy Ramadhan

Golf Tips

HIT UP WITH YOUR DRIVER

Rusli BSD Professional

Apakah memukul drive Anda rendah dari tee? Coba latihan ini dan mulailah mencapai drive yang lebih tinggi segera.

Selama set-up, lepaskan tangan kanan Anda dari klub dan dengan tangan kanan itu menjangkau ke lutut Anda (gambar 3).

Dari posisi yang sama, letakkan tangan kanan Anda kembali ke klub (gambar 4).

Perhatikan perbedaan sedikit kemiringan bahu (dari gambar 1 ke gambar 4) yang disebabkan oleh latihan ini (lihat garis putih).

Do you hit low drives off the tee? Try this drill and start hitting higher drives right away.

During set-up take your right hand off the club and with that right hand reach down to your knee (pic 3).

From that exact position put your right hand back to the club (pic 4).

Notice the difference in slight shoulder tilt (from pic 1 to pic 4) caused by this drill (see white lines).

New Golf Rules

USGA

Captain Club Committee

RELIEF FROM MOVING BALL ON THE GREEN

“Aturan Baru: Aturan 13.1d merevisi prosedur ketika bola diputting green digerakkan oleh angin, air atau kekuatan alam lainnya, sehingga terkadang harus diganti dan terkadang dimainkan dari tempat barunya:

Jika bola telah diangkat dan diganti di tempat semula sebelum dipindahkan, bola harus selalu diganti di tempat semula, terlepas dari apa yang menyebabkannya bergerak.

Bola harus dimainkan dari tempat barunya hanya jika bola belum diangkat dan diganti sebelum dipindahkan. “

“New Rule: Rule 13.1d revises the procedure for when a ball on the putting green is moved by wind, water or other natural forces, so that it must sometimes be replaced and sometimes be played from its new spot:

If the ball had been lifted and replaced on its original spot before it moved, the ball must always be replaced on its original spot, regardless of what caused it to move.

The ball must be played from its new spot only if the ball had not been lifted and replaced before it moved.”
